Capitalised terms used in this announcement shall have the same meanings as defined in the Announcements unless otherwise stated.

PROPOSED SHARE CONSOLIDATION

The Board proposes to implement the Share Consolidation on the basis that every ten (10) issued and unissued Shares of par value of HK\$0.01 each in the share capital of the Company will be consolidated into one (1) Consolidated Share of par value of HK\$0.10 each.

Effects of the Share Consolidation

As at the date of this announcement, the authorised share capital of the Company is HK\$100,000,000 divided into 10,000,000,000 Shares of HK\$0.01 each, of which 2,766,208,103 Shares have been allotted and issued as fully paid or credited as fully paid. Upon completion of the Rights Issue on the basis of one (1) Rights Share for every two (2) Shares held by the Qualifying Shareholders on the Record Date (assuming no change in the number of Shares in issue on or before the Record Date and Rights Shares are fully subscribed), as announced by the Company on 11 June 2019, the maximum number of issued shares of the Company will be 4,149,312,154 Shares.

Upon the Share Consolidation becoming effective and Rights Share are fully subscribed, on the basis that the Company does not allot, issue or repurchase any Shares prior thereto, the authorised share capital of the Company shall become HK\$100,000,000 divided into 1,000,000,000 Consolidated Shares of HK\$0.10 each, of which 414,931,215 Consolidated Shares will be in issue.

Upon the Share Consolidation becoming effective, the Consolidated Shares shall rank pari passu in all respects with each other. Other than the expenses to be incurred in relation to the Share Consolidation, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders, save for any fractional Consolidated Shares will not be allocated to the Shareholders who may otherwise be entitled.

Conditions Precedent to the Share Consolidation

The Share Consolidation is conditional upon:

- (i) the passing of an ordinary resolution by the Shareholders to approve the Share Consolidation at the EGM;
- (ii) the Listing Committee granting the approval for listing of, and the permission to deal in, the Consolidated Shares upon the Share Consolidation becoming effective; and
- (iii) the compliance with all relevant procedures and requirements under the applicable laws of the Cayman Islands and the GEM Listing Rules to effect the Share Consolidation.

The Share Consolidation will become effective on one clear Business Day immediately following the fulfillment of the above conditions i.e. Monday, 2 September 2019.

Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by HKSCC.

No part of the equity or debt securities of the Company is listed or dealt in on any other stock exchanges other than the Stock Exchange and no such listing or permission to deal in is being or is currently proposed to be sought.

OTHER ARRANGEMENTS

Fractional entitlement to Consolidated Shares

Fractional Consolidated Shares will be disregarded and will not be issued to the Shareholders but all such fractional Consolidated Shares will be aggregated and, if possible, sold for the benefits of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Shares regardless of the number of existing share certificates held by such holder.

Odd lots arrangement and matching services

In order to facilitate the trading of odd lots (if any) of the Consolidated Shares, the Company will appoint a securities firm to provide matching service, on a best effort basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares. Details of the odd lot arrangement will be set out in the Circular. Holders of odd lots of the Consolidated Shares should note that the matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed.

Free exchange of Consolidated Shares' certificates and trading arrangement

Subject to the Share Consolidation becoming effective, Shareholders may, on or after Monday, 2 September 2019 until Thursday, 10 October 2019 (both days inclusive) between 9:00 a.m. and 4:00 p.m. on any Business Day, submit the existing share certificates for the Shares to the Company's share registrar and transfer office in Hong Kong, Union Registrars Limited at Suites 3301-04, 33/F, Two Chinachem Exchange Square, 338 King's Road, North Point, Hong Kong to exchange, at the expense of the Company, for new share certificates of the Consolidated Shares (on the basis of ten (10) Shares of HK\$0.01 each for one (1) Consolidated Share of HK\$0.1 each).

Thereafter, existing share certificates of Shares will be accepted for exchange only on payment of a fee of HK\$2.50 (or such other amount as may from time to time be specified by the Stock Exchange) by the Shareholders for each existing share certificate for the Shares submitted for cancellation or each new share certificate issued for the Consolidated Shares, whichever the number of certificates cancelled/issued is higher. The existing share certificates for the Shares are in blue colour and the new share certificates for the Consolidated Shares will be in red colour.

After 4:00 p.m. on Tuesday, 8 October 2019, existing share certificates for the Shares will only remain effective as documents of title and may be exchanged for certificates for Consolidated Shares at any time but will not be accepted for delivery, trading and settlement purposes.

REASONS FOR THE SHARE CONSOLIDATION

Pursuant to Rule 17.76 of the GEM Listing Rules, where the market price of the securities of an issuer approaches the extremities of HK\$0.01 or HK\$9,995.00, the issuer may be required either to change the trading method or to proceed with a consolidation or splitting of its securities. The "Guide on Trading Arrangements for Selected Types of Corporate Actions" issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 and updated on 28 June 2019 (the "Guide") has further stated that (i) market price of the shares at a level less than HK\$0.1 will be considered as trading at extremity as referred to under Rule 17.76 of the GEM Listing Rules; and (ii) taking into account the minimum transaction costs for a securities trade, the expected value per board lot should be greater than HK\$2,000.

Based on the Company's latest closing price of HK\$0.026 per share as at the date of this announcement, the theoretical market value of each board lot of the shares of the Company would only be HK\$312 as if the Rights Issue would have been completed as at the date of this announcement which would be less than the expected minimum board lot value of HK\$2,000 as stated in the Guide.

In view of the recent trading price of the Shares at a level less than HK\$0.1 and the value per board lot being less than HK\$2,000 ("Circumstances"), the proposed Share Consolidation will increase the nominal value of the Shares and would bring about a corresponding upward adjustment in the trading price per board lot of the Consolidated Shares on the Stock Exchange. As such, it would (i) enable the Company to comply with the trading requirements under the GEM Listing Rules; and (ii) reduce the overall transaction and handling costs of dealings in the Shares as a proportion of the market value of each board lot, since most of the banks/securities houses will charge a minimum transaction costs for each securities trade.

Assuming the Share Consolidation had become effective, based on the closing price of HK\$0.026 per Share (equivalent to the theoretical closing price of HK\$0.26 per Consolidated Share) as at the date of this announcement, the theoretical value of each board lot of 12,000 Consolidated Shares would be HK\$3,120.

The Board considers that the Share Consolidation would maintain the trading amount for each board lot at a reasonable level in order to attract more investors. The Board believes that the Share Consolidation will not have any material adverse effect on the financial position of the Group nor result in change in the relative rights of the Shareholders.

In view of the above, the Directors are of the view that the Share Consolidation is reasonable and sufficient and in the interests of the Company and the Shareholders as a whole. As at the date of this announcement, the Company has no intention and plan to carry out other corporate actions in the next 12 months which may have an effect of undermining or negating the intended purpose of the Share Consolidation (e.g. share consolidation, share subdivision and change in board lot size), and the Company does not have any concrete plan to conduct any fund raising activities in the next 12 months, save for the Rights Issue.
